

Rotary Club of Ludlow

PRESS RELEASE

CLUB HELPS LOCAL COMMUNITY

During the unprecedented circumstances that we find ourselves in at this present time, Ludlow Rotary Club have been supporting the local community by disbursing funds to local community projects supporting those in need. We have raised in excess £1500 and have so far distributed this amongst organisations such as the Ludlow Food Bank, Hands Together Ludlow/Pulling Together Ludlow, the Friends of Corley, and Shropshire Domestic Abuse Service, who are all helping in different ways to support those who are finding it hard to cope at this time.

We will continue to help local community groups during the coming months as we slowly come out of lockdown and get back towards a more normal way of life.

If you are a local charity/organisation supporting members of our community who are experiencing hardship, then please feel free to contact Rob Hall our Community Lead who will see if there is anything that we can do to help.
