Famous People Cryptic Quiz 2023

**Minimum
Donation
£2 Please**

Can you work out the Celebrities from past and present with the help of the following clues? You may find it useful to write down or speak aloud each part of the clue as you solve it – the spelling is not always the same! It may just sound similar. Eg - Bates motel owner could get a yellow card if he's one of these = Norman Fowler. There may even be a few anagrams.
