Would you like to apply for a place on this challenging course?

Course Overview: The course will be a mix of:

- **Physical and Mental Challenges:** These will allow you, in teams, to experience leadership, communication and problem solving. These challenges will be based on outdoor activities led by experienced and qualified professional instructors.
- **Mentoring:** Each team will have a mentor. They will help you during the course. Mentors are drawn from amongst business and professional people who may be members of Rotary.
- The course is not simply an outdoor activity week. No outdoor activity skills such as canoeing or rock climbing will be taught.
- The cost of the course (£360) will be met by your sponsoring Rotary Club.

Duke of Edinburgh's Award: Rotary is an Approved Activity Provider for the DofE Award. The course meets the requirements of the Residential Section of the Gold Award.

Course Objectives: By the end of the course you will have:

- developed leadership experience and skills
- gained confidence through achievement
- learnt the importance of competition, health, fitness, character and tolerance as building blocks to the quality of life
- understood Rotary's commitment to the development and respect for young people

Course Aims:

- to challenge you by putting you under pressure in an enjoyable way
- to encourage and foster your leadership skills through teamwork and communication

Candidate Qualifications

- The course is open to young people who are over 16 and under 18 on Friday 8th August 2025.
- You need to demonstrate you have leadership potential; the ability to mix with others; an open and enquiring mind; and basic self-discipline.

- The course is based on outdoor activities. A basic level of fitness is necessary.

Candidate Selection:

- After application you will be interviewed for a place on the course by members of your sponsoring Rotary Club.
- If selected you will be sent more information before the course. You will also be transported to and from the course by members of your sponsoring Rotary Club.

Post Course

- Following the course, you will be invited to attend your sponsoring Rotary Club to give a presentation on your perspective of the course and to obtain validation of your course certificate with the signature of the Club President.
- The certificate of participation in the RYLA course can be placed within your personal portfolio. Past participants have found the certificate a source of interest and discussion during work and further education interviews.
- Also, after the course, you will be encouraged to raise some funds for a local or international charity. This will be a way of recognising the value of the opportunity you have experienced by supporting others.

So - is this course right for you?

- Are you a potential leader and would you like to acquire further leadership skills?
